WHAT WE DO

Secure Platforms for Healthcare

Patient portals, appointment systems, and secure data management platforms built for healthcare providers.

● Patient Portals

Self-service platforms for appointments, results, prescriptions, and secure messaging.

● Appointment & Scheduling

Online booking, calendar management, and automated reminders that reduce no-shows.

● Secure Data Management

Compliant systems for storing, managing, and reporting on sensitive healthcare data.

OUR WORK

Selected Healthcare Projects

● Fittleworth

Encryption and decryption module for secure dispensing analysis, built for the UK home dispensing provider.

● SurgiPath Europe

Commission discussion forum for the MacroPATH Imaging System, connecting pathology professionals.

● UKNEQAS CPT

Online document control for the UK National External Quality Assessment Service.

● Prime Care

Content management system for the award-winning home care provider across southern England.

WHY EPLATFORMS

Why Businesses Choose Us

Platform Independent

We recommend what's right — no bias, no vendor lock-in.

Results First

We measure success by your results, not ours.

Long-Term Partners

Most clients have been with us for years, not months.

Straight Talk

No jargon, no overselling, no hidden costs.
